WORK EXPERIENCE

Webmaster & Mechanic, Headflow Masters, Vista, CA
2012-present
- Completely in charge of digital and static marketing materials and design. From web development to customer outreach and hands on motor rebuilds for this auto machine shop specializing in air-cooled Volkswagen engines.

Senior Web Designer & Developer, WSI, San Clemente, CA
2011-2012
- Tackled complete website projects from design to development as well as any static designs. In charge of meeting client needs and expectations within a set timeline, all while following strict SEO structures unique to each project.

Freelance, Audirac Designs, California
2007-present
- Design various marketing paraphernalia for different companies and individuals. See audiracdesigns.com for examples of print, illustration and web work.
